Dear Lee & Louise,

As I have just completed the various segments of the explanatory pages pertaining to the "Combat History". I plan to send the package to you in the near future and hope that everything is in good order. As per your request in your letter of Feb. 27-1983, I have arranged the pages into the following groups and hope it meets with your approval. - 1. Dedications - 2. Dates and Places - 3. Roster and final disposition of the 3rd Platoon - 4. From My Point of View. Please feel free to change the sequence of the above to any form which might be more appropriate in relation to the "Combat History". Sincerely hope that the copies are clear and legible although my hand writing at 70 years of age is certainly not the best in the world. In closing, I want to again express my deep appreciation for the enormous effort you two have made to insure the completion of the book on Company L. Trust that you have returned home from your visit to the V.A. Hospital and are enjoying the best of health.

Best regards,

C. W. J.
