I -- SILVER STAR. Pursuant to authority contained in AR 600-45, dated 22 September 1943, as amended, and Memorandum 21, Headquarters Fifteenth United States Army, 4 March 1945, a Silver Star is awarded to the following:

Captain John M Roberts, 0363070, Infantry, United States Army, for gallantry in action in * * * , France on 8 and 9 November 1944. When his company's attack across open terrain was halted temporarily by withering enemy fire, Captain Roberts moved out ahead of his men and by his personal bravery and disregard for personal safety inspired them to resume the attack. Although forced to withdraw later, Captain Roberts led his men across the same ground on the following day, routed the Germans from their well dug-in positions, and pushed forward approximately five hundred yards. Captain Roberts' gallant actions, keen tactical knowledge and inspiring leadership honor his character as an officer. Entered military service from Nebraska.

First Lieutenant Robert D McDowell, 01535675, Chemical Warfare Service, United States Army, for gallantry in action at * * * , Germany on 8 March 1945. When his unit supported infantry elements, Lieutenant McDowell and other personnel occupied a strategically located house from which the enemy had but recently been driven. The enemy then concentrated an artillery barrage upon the site, whereupon Lieutenant McDowell directed other personnel to the cellar while himself remaining on the third floor to direct accurate fire which served to cause a cessation of the enemy fire. Lieutenant McDowell's tenacity of purpose in remaining at his hazardous position, his devotion to duty and utter disregard for personal safety, bespeak such gallantry in action as to be in accord with high military tradition. Entered military service from Pennsylvania.

First Lieutenant Ralph R Wance, 01037353, Chemical Warfare Service, United States Army, for gallantry in action at * * * , Germany on 6 March 1945. Lieutenant Wance was directing the fire of his unit in support of an infantry company when the enemy commenced an intense barrage. Disregarding personal safety, he left his position and exposed himself to the enemy artillery fire in order to direct more accurately the fire of his mortars. While so engaged, an enemy shell fragment smashed his wrist watch, but Lieutenant Wance gallantly remained exposed to the enemy fire and continued to direct his weapons. His actions are in accord with high military tradition and denote him an asset to the military service. Entered military service from Pennsylvania.

II -- BRONZE STAR MEDAL. Pursuant to authority contained in AR 600-45, dated 22 September 1943, as amended, and Memorandum 21, Headquarters Fifteenth United States Army, 4 March 1945, a Bronze Star Medal is awarded to the following:
