Headstone: Cross
St. Laurent (France) U. S. Military Cemetery

Dear Mr. Bridges:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Mrs. Marguriete G. Bridges
415 South Sycamore

Dear Mrs. Bridges:

This refers to your letter of January 24, regarding the personal effects of your son, Sgt. James P. Bridges.

I am sorry to report that the Army Effects Bureau has not yet received any of your son's property. This Bureau was established by the War Department to receive and dispose of the personal effects of military personnel who die outside the continental United States, therefore it is reasonable to assume that your son's effects will ultimately be received here. Due to transportation difficulties encountered, it is impossible to determine accurately the time of arrival.

To make proper disposition of his property, when received, it is necessary that we have certain information regarding your son's family. I would like to know whether he was married and, if so, the name and address of his widow; also the name and address of his father, if he is living. You may furnish this information now if you wish, so that your son's effects may be forwarded promptly upon receipt here.

For your convenience there is inclosed a self-addressed envelope which requires no postage.

I wish to express my sincere regret for the circumstances prompting this correspondence.

Sincerely yours,

F. A. ECKHART
