Hamm U. S. Military Cemetery

Dear Mrs. Cahill:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interment activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mrs. Cahill:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Dear Mrs. Cahill:

Your inquiry directed to the Adjutant General has been referred to this office for reply to that part pertaining to the return of the remains of your husband, the late Second Lieutenant William J. Cahill.

At the outbreak of the war, it became necessary to adopt the policy that the remains of our American dead overseas should not be returned to the United States until after the cessation of hostilities. Now that Japan has been defeated, immediate plans are being formulated with a view to returning to the next of kin the remains of their loved ones. This sacred duty will be carried out by the Government at its expense and insofar as practicable in accordance with the expressed wishes of the legal next of kin, who will be contacted well in advance of the actual return of the remains. The mission as a whole is world wide in scope and of necessity time consuming, but you may rest assured that this office fully appreciates your desire and will do everything in its power to fulfill them at the earliest possible date.

The official report of interment received in this office shows that the remains of your husband were interred in the United States Military Cemetery, Hamm, Luxembourg, Plot H, Row 12, Grave 284. This cemetery is located approximately two miles east of the city of Luxembourg.

This office regrets, sincerely, the delay in answering your letter and wishes to extend its deepest sympathy in the loss of your husband.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

ARTHUR L. WARREN

Dear Mrs. Cahill: \

I am sorry to advise you that at the present time, we have no information regarding the items you mentioned. The property which we sent you recently was transmitted to this Bureau by a Graves Registration Officer overseas. It is possible that he left additional effects at his base or quarters which will reach us at a later date. You may be assured that any such belongings will be forwarded to you without delay upon receipt here.

Matters pertaining to burial or the disposition of remains are under the jurisdiction of The Quartermaster General, Memorial Division, Washington 25, D. C.; therefore, a copy of your letter has been forwarded to that official for further reply direct to you.

Sincerely,

Dear Sir or Madam; *wb 8.2*

In Re: 371039-D Per A. G. Schumacher
1st Lt. R.M.C.
Chief Acc't. Dept.

In reference to the above letter, I received a black billfold; a few French coins; some snapshots, and a Catholic medal in the billfold that belonged to my husband.

Now he also wore a gold-banded & initialed wrist watch, and a gold ring — also a rosary! He had these articles with him constantly — as they were from his children. Won't you please be kind enough to mail all this back to me as soon as possible.

I know also for a certain fact that my husband carried over one hundred dollars with him at the time of his death; because he wrote me in one of his letters stating he would send me the money at his earliest convenience. There evidently is someone who was careless about this inclosure and either forgot to enclose the above mentioned — or — perhaps — well — I can't dream of anyone taking this for himself!

Won't you please be kind enough

Declassified in accordance with D.O. 13526

to look into this matter immediately!

Please don't cast this letter aside, as the articles especially the rosary & ring are treasured deeply by me. You see - that is all I have left of my husband now. Won't you please help me!

I also know he has a trunk full of various articles somewhere in England, but I just do not know to whom I could contact concerning the trunk to be sent home to me. Can you possibly advise me in this matter?

And lastly — can you possibly tell me where to write, & what to do, if, & where I can possibly bring my husband's body home?

His name is:
