Dear Mrs. Nichols:

This acknowledges your recent letter inquiring about the personal effects of your brother, Private Herbert A. Cleveland.

As yet the Army Effects Bureau has not received any of his property nor any information concerning it. All War Department agencies are under instruction to forward the personal effects of military personnel to this Bureau for disposition, and it is reasonable to assume that your brother's property ultimately will be received here. However, because of transportation difficulties, considerable time may elapse before the shipment reaches us.

It is our understanding that mail en route to members of our Armed forces which cannot be delivered is returned to the sender. In the event of any undue delay in the return of the packages about which you inquired, it is suggested that you contact the postal authorities.

You are assured that upon receipt here of any of Private Cleveland's belongings prompt disposition will be made.

Yours very truly,

HARRY NIEMIEC
