Mr. Alexander MacIvor
329 Beverly Drive
Erie, Pennsylvania

Dear Mr. MacIvor:

Your letter of 18 March, in reply to my inquiry on Staff Sergeant Jacobsen, has been received.

There is no objection to you corresponding with your former Platoon Sergeant in this case. However, it is suggested that you use, substantially, the same questions contained in my 3 March letter as well as any additional questions that you may consider of relative importance.

In view of the time that has elapsed since Sergeant Jacobsen became a casualty, I am including other data that may be of assistance in your communication. At induction, Sergeant Jacobsen's physical characteristics were recorded as : 5' 10" in height, weighed 132 lbs, had brown hair, brown eyes and was 24 years 8 months of age. In civilian life his main occupation was welding, body and fender repair work. While in service, he was married to Catherine Burket at St. Paul, Minnesota, his home town. In addition to the foregoing, I am inclosing a chronological record of his military service as well as a self-addressed envelope for your use in replying.

Your offer to be of assistance in this matter is extremely gratifying and I am sure you appreciate the importance of handling this case in a discreet manner.

Sincerely,

Mr. Alexander MacIvor
720 Park Avenue
North Erie, Pennsylvania

Dear Mr. MacIvor:

Through the process of investigating unidentified casualties lost during the Normandy Campaign, a tentative association of an Unknown recovered near St. Lo, France has been established with S/Sgt Gerald L. Jacobsen, 37 096 991.

Official records indicate that S/Sgt Jacobsen, a member of Company "M", 134th Infantry Regiment, 35th Infantry Division, was reported missing in action on 15 July 1944 and subsequently declared dead as of 16 July 1945. Sgt. Jacobsen was last seen about 0430 hours on 15 July with 2/Lt Burley J. Stinnett, O-1 312 241, same organization, at his post as mortar observer about 400 to 500 yards southwest of Les Forges, France (49° 08'N 1° 18'W), approximately 9 miles northwest of St. Lo. Second Lieutenant Stinnett was also reported MIA on 15 July 1944 but was later reported KIA on the same date. The body of Lt. Stinnett, found near the observation post, was recovered and interred in U. S. Military Cemetery La Cambe, France on 22 July 1944. It was on this same date that the remains erroneously identified as you were interred in USMC La Cambe, as well as other members of the 134th Infantry Regiment who were KIA in the same area during the period of 15 through 17 July 1944.

Records further indicate that you, 2/Lt Stinnett and S/Sgt Jacobsen were members of the same Battalion, trained together in the States (during certain periods), departed on the same date for oversea duty and saw combat action during the same period and area, St. Lo, France. Therefore, it is believed that you may have known both Lt. Stinnett and Sgt. Jacobsen.

QMOME-D

Jacobsen, Gerald L.
S/Sgt, 37 096 991

3 March 1961

While it is realized that the tragic experience you encountered and the intervening years may have blurred your memory, it is hoped that you may recall specific events that would enable this Office to establish the identification of Sgt. Jacobsen. Therefore, if known to you, answers to the following questions would be greatly appreciated:

a. Did you see Sgt. Jacobsen in France prior to or subsequent to 15 July 1944? If so, when, where and under what combat conditions?

b. When you were wounded near St. Lo on 17 July 1944, was Sgt. Jacobsen in the immediate vicinity? If so, did you talk with him? Did he administer first aid?

c. After you were wounded, did you see Sgt. Jacobsen at any hospital unit in France prior to your being evacuated to England? If so, please identify the unit.

d. Do you recall receiving from or giving to Sgt. Jacobsen, Lt. Stinnett or other individuals any personal effects, such as, letters, photographs, identification bracelet or other items for safe-keeping? If so, when, where and under what circumstances did this occur?

e. Any other information that you may consider relative to this case is desired.

Since the association of Sgt. Jacobsen is in a tentative stage, it would be appreciated if you would treat this inquiry as a confidential matter. For your convenience in replying, a self-addressed envelope which requires no postage is inclosed.

Sincerely,

Oren Womack

MEMORANDUM FOR: Chief, Casualty Branch

SUBJECT: Review and Determination of Status
Under the Missing Persons Act

I. - FACTS

1. The person named below was reported missing in action in France by ETO Shipment No. 140, and has been carried on War Department records as missing in action since 15 July 1944:

<u>NAME</u>	<u>ASN</u>	<u>GRADE</u>
Jacobsen, Gerald L.	37 096 991	Staff Sergeant

2. Sergeant Jacobsen's AG 201 file contains a "Missing Report" dated 20 July 1944, which sets forth the information that he was a member of Company M, 134th Infantry, and was an observer for a mortar section on 15 July 1944. He was last contacted by telephone from the mortar section prior to the time the section moved out. A Lieutenant B. J. Stinnett was with Sergeant Jacobsen, and his body was found near the observation post.

3. On 26 April 1945, a letter was sent from this office to the Commanding General, USF, ETO requesting additional information concerning the loss of this soldier. The 8th indorsement to this correspondence, dated 21 May 1945, from Headquarters, 134th Infantry Regiment, reads in part as follows:

"2. T/Sgt David F. Runkel, 20723798, Company M, 134th Inf Regt, last known personnel to have seen S/Sgt Gerald L. Jacobsen before his disappearance, was contacted personally for information regarding the whereabouts of S/Sgt. Jacobsen, ***.

"3. T/Sgt. Runkel states that he last saw and spoke to S/Sgt Jacobsen at about 0430 on the 15th day of Jul 44 at his post as a mortar observer. He pointed out the location on map furnished this headquarters to be about 400 or 500 yards Southwest of La Forge Normandy France. Map used St. Lo 1/25,000 34/16 Northwest Coordinates 527-662.

"4. S/Sgt Jacobsen was at his post when T/Sgt. Runkel left to perform other battle duties. This is the last known place that S/Sgt. Jacobsen was before his disappearance."

C-O-P-Y

C-O-P-Y

S. R. & D. No. 3514

4. A search of the maps in the office and Army Map Service reveals no place called "La Forge" in the area around St. Lo. There is a place called "Les Forges", however, which is located at 49° 08'N 1° 18'W, about 9 miles northwest of St. Lo.

5. An examination of the Enlisted Branch records and Casualty Branch file of this person, and the index in Prisoner of War Information Bureau, PMGO, reveals no pertinent information not considered herein.

II.- CONCLUSIONS

1. Sergeant Jacobsen was an observer for a mortar section in the St. Lo area on 15 July 1944. He was last seen at his observation post about 400 or 500 yards southwest of La Forge (Les Forges), France. An officer who was with him was killed, and his body was found near the observation post, but no trace of Sergeant Jacobsen was found.

2. A period of twelve months has elapsed since this soldier became missing in action. During this time he has not been seen or heard from by anyone.

3. In view of the foregoing, it appears that this soldier may not reasonably be presumed to be living.

III.- RECOMMENDATION

It is recommended that a finding of death be made as of 16 July 1945, in the case of Staff Sergeant Gerald L. Jacobsen, Army Serial Number 37 096 991, under the provisions of Section 5 of the Missing Persons Act.

GRRE 293.9

SUBJECT: Non-Recoverable

TO: Non-Recoverable Board, AGRC

1. It is recommended that the Board take action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing In Action or Killed In Action during ground air or naval operations in the department of Manche, France, from the period of 5 June 1944 to 15 August 1944. Extensive area searches as well as individual investigations have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of the Manche, have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Manche department, for the most part, consists of farm and pasture land which has been under constant cultivation and daily use since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore only be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide evidence, and the lack of association with recovered unknowns would tend to substantiate these

GRRE 293.9

SUBJECT: Non-Recoverable

conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OQMG Forms 371; After Action Reports, and Casualty Clearance Plan, concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the department of Manche, France: On file in the Office of The Quartermaster General, Washington, D. C.

2. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.

MEMORANDUM FOR RECORD:

SUBJECT: Review of the Circumstances Surrounding the Disappearance of
Staff Sergeant Gerald L. Jacobsen, ASN 37 096 991 Infantry

1. Shipment No. 140, ETO reported S/Sgt Gerald L. Jacobsen, ASN 37096991, a member of Company M, 134th Infantry, Missing in Action, in France on 15 July 1944, and under the provisions of Section 5, Public Law 490, 7 March 1942, as amended, a Finding of Death was made in his case (SR&D 3514), showing the presumed date of death as 16 July 1945.

2. The records show the above named soldier was an observer for a mortar section on 15 July 1944, when the section was on an observation mission to a place at 'Les Forges', France, located at 49° 08' N 1° 18' W, about 9 miles NW of St. Lo, France. T/Sgt. Runkel, who was the last person of his organization, known to have seen this soldier, stated that he spoke to him about 0430 on the 15 July 1944 at his post of mortar observer which was about 400 or 500 yards SW of Les Forges, Normandy, France, and this is the last known place that S/Sgt Jacobsen was seen prior to his disappearance. Lt. Stinnett, whose body was found near the observation post, was with this soldier. Nothing further has been heard or seen of this soldier since he was reported missing in action 15 July 1944.

3. There is no record that this soldier was reported a prisoner of war of the German government, nor has any record been found that his body was located and identified. Nothing has been found in the captured German records pertaining to this soldier. It is a known fact that he never rejoined his organization. There appears to be no doubt that he perished, however, there is no positive proof that such is the case. In view thereof, the information of record in the Department of the Army, at this time, is not sufficient to warrant the issuance of an official report of death, pursuant to the provisions of Section 9, of the Missing Persons Act.

Dear Mrs. Jacobsen:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your husband, Staff Sergeant Gerald L. Jacobsen:

1 carton and contents

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your husband.

Yours very truly,
