3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

All remarks and information entered here will be considered as part of the Notarial Attestation.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor creases and discoloration, characteristic of old paper. Faint, illegible text is visible through the paper, suggesting bleed-through from the reverse side. The page is framed by dark borders on the left and right sides, which appear to be the edges of the book's binding or the scanner's frame. There are no markings, text, or illustrations on the page itself.

Dear Mr. Pergolizzi;

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

Dear Mr. Pergolizzi:

I have received your recent letter concerning the late Private First Class John Pergolizzi.

I am sure you understand that while the program to return the remains of our World War II Dead is already in effect, it is necessary to thoroughly verify our records. Upon completion of this verification, the "Letter of Inquiry -- Return of World War II Dead", will be mailed to the next of kin of those deceased Americans for whom verified burial information is of record in this office. In accordance with the present schedule, the remains are to be returned by cemeteries, and prior to the evacuation date of each cemetery, these Letters of Inquiry will be mailed to the next of kin giving them the opportunity to express their final and detailed desires concerning the late resting place of the remains of their loved ones.

Brooklyn 15, New York

Dear Mr. Pergolizzi:

Your letter concerning your son, the late Private First Class John Pergolizzi, has been received in this office.

The War Department has now been authorized to remove the remains of our honored dead, at Government expense, to the final resting place which the next of kin may designate.

When the necessary verification of records has been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be mailed to you. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of your detailed desires as the next of kin. Until you receive these forms, therefore, it will not be necessary for you to communicate with this office regarding this subject, unless you desire to report any change of address.

As you probably know, the supply of steel for the manufacture of caskets is, at present, uncertain. Without this essential item, the projected movement of remains cannot properly be initiated. This fact and the necessity for complete coordination of movement in many parts of the world make it impossible, at this time, to estimate when these mentioned forms will be mailed. Every effort, however, will be made to shorten the time, between now and the date of mailing, and your desires will be acted upon with a minimum of delay.

This office cannot, at this time, advise you of the exact date the remains of deceased military personnel will be returned to the United States, however, you will be notified in advance of the actual return of the remains.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

JAMES L. PRENN

THE QUARTERMASTER GENERAL
Attention: Memorial Division

23 March 1946

Mr. John Pergolizzi, Sr.
350 20th Street
Brooklyn 15, New York

Dear Mr. Pergolizzi:

Your letter concerning your son, the late Private First Class John Pergolizzi, has been received in this office.

This office appreciates your desire to determine the final resting place of your son. However, inasmuch as the records of this office indicate that the legal next of kin of the late Private First Class John Pergolizzi is his widow, this office must recognize her right to determine the final resting place of the remains of your son.

When the necessary legislation authorizing this Repatriation Program receives Congressional approval and other required arrangements have been made, a poll letter, with a return form and an information pamphlet attached, will be sent to the next of kin of each deceased serviceman whose remains lie overseas and for whom verified burial information has been received.

Since the problem itself, and the planning and arrangements therefor, are world-wide in scope, the date when the poll letter can be mailed and the date when the answers will be received and can be acted upon is necessarily uncertain. It should be realized, however, that the next of kin will be notified without action on their part as soon as the necessary preliminaries have been completed.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

WM. B. CHRISTENSEN

Quartermaster General
Washington 25, D.C.

In compliance with the QMG letter of 15 October, 1945,
the following action is requested.

In the QMG letter of 15 October, 1945, it stated that
the remains of my son, the Late Private First Class John
Pergolizzi, be returned to me for further burial in my family
plot in the near future. It is fully realized by me that
this mission was very difficult, and impossible to fulfill
during hostilities. However being that hostilities have
ceased, I would like to have my son returned to me before much
more time elapses.

To this date I have not received any further notices as
to when this NEAR FUTURE is.

It would be greatly appreciated by my family, and myself,
if the Quartermaster General would define NEAR FUTURE as to a
possible date that this matter may be attended to.

Sincerely yours,

John Pergolizzi Sr.

Dear Mr. Pergolizzi:

Acknowledgement is made of your letter dated 9 September 1945 concerning your son, the late Private First Class John Pergolizzi, and our letter to you dated 10 September 1945 in which burial information was furnished.

It is anticipated by the War Department that the return at Government expense of the remains of those who have died overseas in the service of their country to a final resting place as selected by the next of kin will be authorized in the near future. Upon receipt of such authority, the War Department, through this office, will furnish full information to the proper next of kin and solicit their desires. However, it should be realized that this mission as a whole is world wide in scope and of necessity time consuming, but you may rest assured that this office fully appreciates your desires and will do everything in its power to fulfill them at the earliest possible date.

Sincerely yours,

Dear Mr. Pergolizzi:

Receipt is acknowledged of your letter requesting information concerning your son, the late Private First Class John Pergolizzi.

At the outbreak of the war, it became necessary to adopt the policy that the remains of our military personnel who die at stations outside the United States, shall be interred locally until after the cessation of hostilities, and remain buried there until such time as appropriate means become available for their return. A notation has been made on the official records that it is your desire to have the remains of your son returned to the United States, if possible, for final interment. At the proper time, the legal next of kin will be contacted by this office in order to obtain their wishes regarding the final disposition of the remains.

The official report of interment received in this office shows that the remains of your son were interred in United States Military Cemetery, Andilly, France, Plot L, Row 1, Grave 3. With reference to other larger cities the approximate location of Andilly, France is five miles north of Toul and fourteen miles south and east of St. Mihiel, both in France.

Identification tags are a part of the uniform worn by our military personnel, and in case of death, one is interred with the remains and the other is securely attached to the marker on the grave for future identification.

This office regrets, sincerely, the delay in answering your letter and wishes to extend its deepest sympathy in the loss of your son.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

Dear Mrs. Pergolizzi:

The Army Effects Bureau has received some additional property of your husband, Private First Class John Pergolizzi.

I know you want to receive this property quickly, and in making application it is necessary only that you confirm your address stating that you are the legal widow of Private Pergolizzi.

I regret to advise that included among your husband's effects is a billfold which is damaged, apparently by bullet. Please say whether you want this item sent with the remainder of the property. It is our desire to refrain from sending any article which would be distressing; at the same time, we do not feel justified in removing the item without your consent. In order to spare you further correspondence, we shall assume that the article mentioned is acceptable if we do not hear from you within fifteen days from the date of this letter.

Please mail your reply in the inclosed self-addressed envelope which needs no postage, as this will accelerate delivery of the property.

Yours very truly,

R. T. BROWN
