for new location at 0630. Co informed that new location was for occupational duties. The 3 Bn 407 Inf arrived to take over our installations 1600. Co morale excellent.

27 Apr 45; Breakfast 0530. Prepared to move departed Loitsche at 0800 via motor and arrived Elze 1420. Very good trip. No trouble. Had K rations issued for noon meal. Troops in very good shape upon arrival. Noted that civilian population is divided about 50-50 on their attitude toward troops. Have Company mess hall. Country heavily wooded in this vicinity. Company morale excellent.

28 Apr 45; Co continued settling itself in new location. Took clothing check for sizes for new issue. Preparing motor vehicles for inspection quarters adequate for everyone. Slave labor being evacuated. Setting up pressing and barber shops. Company morale excellent. No undue excitement noted by anyone. Community has electric power and running water of its own.
